Foreword

As the bugles blow, King Arthur, followed by his magician, Merlin, steps up to his place on the platform. The tournament is about to begin. The knights salute the king and take their places. With the sound of the bugle, the knights rush into battle with armor clamoring and swords clashing. The crowd watches breathlessly, spellbound by the brave knights. At last a victor steps forth. As he walks forward, his lady tosses him a flower. The king rises and is proud to welcome the brave knight to the Round Table.

Although centuries have passed since those magnificent ceremonies, we at Riverside still feel that those magnificent valiant knights emerging victorious during the Age of Chivalry symbolize our efforts to attain our goals in academic standing. As students striving for scholastic honors, we follow the example of the noble knights of the Round Table. The Round Table symbolizes our well-rounded education superintended by the training of our capable faculty. Completing Riverside's transformation into King Arthur's retinue is our sports program. With it is our companion, good sportsmanship, that truly represents the nature of the knight emulously competing in the tournaments.

The following pages are commentaries on the adventures and deeds of a Riverside Frontier in King Arthur's Court.

Dedication

As we, the class of '59, go through our final year of high school, we discover that we owe deep gratitude to some special people. With their help we have prepared for the future. They have helped us face that future with endurance and courage.

Through years of receiving advice from them, we have been able to acquire correct values and mature judgement. They have given us unlimited time, boundless patience, and understanding love. They have shown keen interest in our problems and have gratefully assisted us in our decisions. Their concern for our development will surely help mold us into the good citizens of tomorrow.

Our four years at Riverside have left us with many friends, interests, and enjoyments that we will never forget. But these rewards are very small compared to all we have received from these special people. Most of all, they have rewarded us with their love, and we hope that we shall be worthy of their precious gift.

For these reasons, and many others, we dedicate the "Skipper" to you, our parents.

MR. CARL S. WALZ
PRINCIPAL

As every kingdom must be governed by strong rulers, so our court at Riverside must function under the guidance of stalwart leaders as symbolized in our principal, Mr. Carl S. Walz, and our assistant principal, Mr. Lewis T. Miller.

Mr. Walz, has guided us over many hazards and assisted us whenever his help was required. He has proved an able

leader in every division. Mr. Walz will be remembered for his cheerful smile, good humor, and helping hand.

Mr. Miller, assuming the responsibilities of assistant principal again this year, has become an integral part of our activities at Riverside. We hope we may see him in the halls of Riverside for a long time to come.

In Memoriam

HENRY J. HUFFCUT

For twenty-six years Mr. Henry J. Huffcut was in charge of attendance at Riverside High School. Through his faithfulness in the performance of his duties, Riverside set a record for attendance for four consecutive years.

Mr. Huffcut was not a stranger to the area. He had been a pioneer resident in the community and had been active in its civic affairs. Three of his children, Ruth, Robert, and James, are graduates of Riverside High School.

His friendly smile and cheerful greeting have endeared him to the faculty and student body of Riverside High School.

Those who knew Mr. Huffcut will long remember him for his warm friendship, his concern for others, his faithfulness, and his patient spirit.

Tribute to Retired Teachers

MARIAN H. CARTER

Miss Carter's extended years of service as a teacher are perhaps best characterized by the words of President Samuel B. Gould of Antioch College: "A work which is magnificent in its purposes and deeply satisfying in its achievements—bestows upon you a touch of immortality." Miss Carter saw in each boy and girl a distinct personality and soul. She is understanding and sympathetic to human frailty as well as to strength, and she inspired the best.

Miss Carter came to Riverside on the day it opened and she continued three years past our school's twenty-fifth anniversary. She had previously taught in Lockport's elementary school and School 60 in Buffalo. She is a graduate of Lafayette High School, Buffalo Normal School and Canisius College.

MARY M. KLEIN

Long remembered at Riverside, especially within the memories of our future homemakers, will be Mrs. Mary M. Klein. Her diversified talents and integrity of motive strengthened all those with whom she came into contact.

Along with homemaking, she also taught social science, contributing to the academic life of Riverside.

Mrs. Klein taught at Riverside for four and one-half years. Previously, she had taught for twenty years at East High School. She is a graduate of the Drexel Institute of Technology, Philadelphia, Pennsylvania.

Seniors

Our Salute to Riverside

(To the tune of "In Apple Blossom Time")

We'll miss friends in the class of fifty-nine,
Fond adieus to our teachers who were fine,
But this is June, graduation time,
And with mixed feelings we all stand in line;
What a wonderful day it will be,
A diploma for you and one for me,
We'll stand aside, salute Riverside
That Alma Mater of mine.

Memories of that great Harvard Cup we won,
And the dances where we all had such fun,
We worked so hard, good report card,
Parents and teachers we certainly jarred;
What a wonderful day it will be,
A diploma for you and one for me,
We'll stand aside, salute Riverside
That Alma Mater of mine.

— Joanne Kyanka

Farewell Sweet Alma Mater

Here stands Riverside, a lamp of knowledge;
Her outstretched arms have embraced many years.
Tis our high school, this prelude to college,
And departure from it evokes many tears.

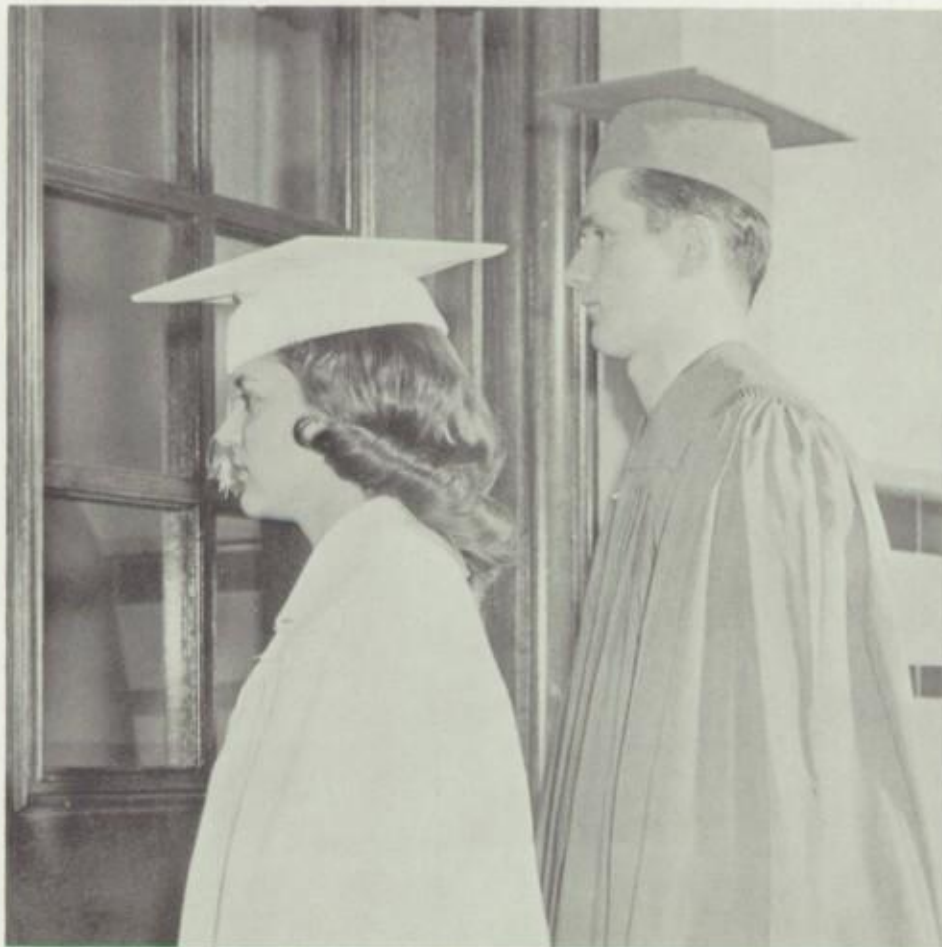

To Seniors and graduation we have grown,
We have reached our coveted goal.
We will bid adieu to friendships we've known
And continue to play Destiny's role.

And as we venture forward to discover
Exactly what life holds for us,
Our bonds with Riverside we will sever
And in God we will place our trust.

No more will we answer the call of thy bell
Sweet Alma Mater, we bid thee farewell.

— Patricia M. Schmidt

Message to the Class of 1959

Today, more than ever, a good education is an absolute necessity. Here in America, there are opportunities in all fields — to explore, to discover, to help make our country even greater. That is the task belonging to you, the pupils of today, the leaders of tomorrow.

Riverside has given you the background for your adult life. The faculty has striven to develop in you all the best qualities for leadership and citizenship. How well we have succeeded will best be proven by your actions in the future.

May I extend to each graduate my sincere best wishes and congratulations. I know that you will take your place in society, a credit to Riverside.

To be a Junior is indeed wonderful! Now upper classmen, they are conscious of new rights and new obligations.

The Junior Class has many outstanding scholars and athletes representing them in Riverside High School. Monica Musial, Barbara Burnett, Lynn Sargent, and Betsy Kinsey were recipients of the silver pin signifying twelve honor rolls. Brenda Verguson, the Junior Class Vice-President is a member of the Inter-High School Student Council.

Herb Crispell, Dick Safran, Larry Hancherick, Bill Brown, and Siegfried Molnar played in the Harvard Cup game. The baseball team had Steve Hussar, Pete Moore, and Jack Dressel on the starting lineup.

Many of the talented members of the class participated in the school's Hi-Y Show. Outstanding were Carmen Pegueen, Orlen Mullen, Lincoln Swados, and Judy Gross.

The Junior Class is looking forward to a wonderful fourth year at Riverside High School.

The Skipper Staffs

The composition of a good yearbook depends not on one particular individual or organization, but rather on many committees. The proper functioning of Riverside's "Skipper" depends on five separate staffs.

The Literary Staff has the job of creating original write-ups describing various activities, organizations, and people.

The Layout Staff arranges the yearbook into sections and plans the picture sizes and placement.

The Business Staff does all the paper work of the yearbook, such as typing and mimeographing.

The Art Staff contributes illustrations which emphasize the theme of the Skipper.

The Advertising Staff helps to finance the yearbook by selling ads to local businessmen, industries, and clubs.

The members of these staffs contribute much of their after-school time to make the Riverside "Skipper" a success.

This year the faculty advisor was Miss McGarry. The faculty committee consisted of Mrs. Hammerl, Mr. Helenbrook, and Mr. Renzoni. The professional photographer was Mr. Robert Koch. Formal portraits were taken by Hengerer's Photography Department.

Student

The Student Council consists of two representatives elected in each homeroom—a regular and an alternate. The representatives elect the Executive Board which directs the council. This year, John Fontana was elected president; Steve Hussar, vice-president; and Brenda Verguson, secretary-treasurer.

Although Riverside's Student Council is only in its second year, it has attained a place of high esteem. Through its work this year, various beneficial programs and recreational activities have been created for the student body.

The "back to school" campaign which took place in September was the year's first undertaking. By means of posters and slogans throughout the building, returning students and freshmen were made welcome.

The Saturnians, a Latin Club, under the direction of Miss Eleanor Siegesmund, completed its third year at Riverside. Modeled on the organization of the Roman Republic, this club helped Riverside's Latin students appreciate the classical civilization.

The highlights of this year's program were a skit comparing Roman and American schools; a musical comedy based on the festival of the "Saturnalia" and the annual celebration of the Ides of March commemorating the death of Gaius Julius Caesar. This year's officers were:

Consuls:	Mary Jane Zylinski James Watz
Praetor:	Monica Musial
Censor:	Peter Armbrust
Quaestor:	Eileen Virginia
Aediles:	Donna Reed Philip Santa Maria
Tribunes:	Jo Ann Cipolla Richard Johnson

Debate

"Resolved that the British system of education is preferable to that of the United States" was the topic for the debate team this year. The negative team debated at Riverside against East. The affirmative team debated at Bennett against Bennett. The teams were coached by Mr. Blomberg and Mr. Bucella.

Judy Kuehling, Mary Jane Zylinski, Sander Gilman, James Watz, Leslee Falk, Donna Reed, Roger Passage.

Two annual events of interest to the school are the Girls' Declamation and the Boys' Oratorical Contests.

This year there were four girls who participated in the Declamation Contest. Each participant gained valuable experience in the art of public speaking under the direction of Mr. Anelli. The winner this year was Linda Simmance who gave a humorous sketch

on women drivers called, "Left Turn" by Vernon Howard.

The Boys' Oratorical Contest, held in the spring, is coached by Mr. William Blomberg. The boys deliver original speeches, usually of a patriotic nature or of current interest. The winner represents RHS in an All-High competition.

For the second consecutive year, the Booster Club has helped rouse school spirit. The club has fulfilled its duties faithfully throughout the year. They have kept the trophy case shining brightly, sold tickets for our special football games, and supplied ushers for the Hi-Y show. The members have helped to keep the halls filled with posters and have helped to get a cheering crowd at our athletic events. The Booster Club proudly announced that the membership this year was double that of 1958.

Gold Pin Scholars

These were the high scholars of this year's Senior Class. In their four years at Riverside, they have consistently maintained an average of 90% or above. In recognition of their hard work, a gold pin is awarded to them representing 24 honor rolls.

Knighthood stands for service for the common good. Knights disguised as Crew and Team move to better serve Riversiders. Last summer we deserted our commodious old Porthole. We moved into a room with no window, no phone, no P.A., no clock, and almost no lighting. BUT we moved where you could shop before the morning bell, and during two lunch periods—two times when we couldn't serve you before.

Have you seen us lately? New lights, new clock, new paint job, and new hours! No old fashioned telephone for us! A wireless connects us with Miss Engel's Retailing Laboratory for information and directions on movements of Crew and Team so we may serve you better.

One of the outstanding features of Riverside is its superb music department. It offers an opportunity to those who are musically inclined to express their talent.

Riverside has one of the finest high school bands. The band contributes to school spirit by playing at assemblies and football games. Each year the members of the band have a chance to demonstrate their talents at the Band Concert in June.

The orchestra plays for special assemblies at Christmas, Easter and on Junior and Senior Days.

For fifteen years this organization has served Riverside High School. The parents and civic-minded people of this group have established a closer relationship between community and parents and school and faculty. The association this year has sponsored a fish dinner and a concert. The proceeds of these were used to purchase a gift which is presented to the school each year.

Again this year the former graduates of Riverside have participated in the activities of their Alma Mater through the Riverside Alumni Association. One of their projects this year was the Annual Alumni Dance held in January. The proceeds of the function were used for a scholarship given to a deserving senior upon graduation.

Basketball

This year Riverside boasted a mighty team. The team played fine ball against some stiff competition.

The spectators attending these games were provided with plenty of action from our entire enthusiastic team and scores were often decided in the last few seconds.

High scorers were Ken Staub, Jim Schmidt, Bob Kaiser, and Jim Ralston.

Returning next year will be Steve Hussar, Bob Muscato, and Joe Antonini.

Baseball

For the second year, Riverside was out to gain the Cornell Cup which is awarded for baseball supremacy. Last June the team defeated Seneca High School in a thrilling game at Offerman Stadium to capture the Cornell Cup.

Again this year, under the able coaching of Mr. Turner, the team practiced many long hours after school to prepare for the season. Many fine fielders and hitters turned out to make Riverside a top-notch baseball team.

Returning to the diamond were many cup-winning players from last year: Steve Hussar, Bob Kaiser, Tom Oatmeyer, and Bill Brown.

Riverside's cross-country team displayed their rugged stamina this year placing 6th in the All-High competition. Coach Moody developed a team around a few returning lettermen who gave many schools a close battle.

Next year's outlook is even brighter, as there are many runners returning who lacked only experience this season.

Baton Twirlers

Batons swung into action again this season as the baton twirlers of Riverside went through their routines to help boost the morale and spirits of the crowd. The purple skirts and the gold R's added color and excitement to the festivities.

Credited for her untiring work with these girls is Arlene Regalla, student instructor. The leader of the advanced group is Barbara Brooks. Orlen Mullen and Barbara Fox are the leaders of the freshmen group. The faculty advisor is Miss Betty Huegel.

Girls' Sports

Although various clubs and piles of homework manage to keep the average Riverside girl fairly busy, she always finds time to participate in some after-school sports. When a girl accumulates 500 points at the end of her senior year, she is rewarded with a Gold Pin. But the richest reward of all is the satisfaction of knowing she has gained many new friends while participating in clean, body-building fun, and practicing the rules of good sportsmanship.

Seemingly simple, a Gold Pin is earned only by perseverance and determination. During the freshman and sophomore year, 150 points must be earned. However, as a girl becomes an upper classman, increasing activities make earning the remaining 200 points a more difficult task. To relieve the difficulty, our program, directed by Miss Huegel and Mrs. Collins, offers a wide variety of sports so that any girl may choose her favorites in which to take part. It includes the winter sports of swimming, basketball, badminton, table tennis, ice skating, roller skating, and bowling, and the spring sports of volleyball, baseball, and soccer. Recently, the girls formed a group for those interested in horseback riding. To earn extra points, girls may even go on hikes supervised by Miss Huegel or Mrs. Collins. Also, to aid in extending our girls' sports program, a newly formed Girls' Athletic Association has come into being, the president of which is Leeanna Hereid.

Our program's aims, the same as those of any other branch of education, are to discipline the mind, character, and also the body of every girl. With such capable direction and unique understanding, this program offers a girl physical education and good fellowship unequalled anywhere else.

Beverly Radginski did an unusually fine job as manager of the Ad Staff this year. She showed a great deal of interest in her work and spent a lot of time on the job — from October to June. Helen De Garmo and Tom Trosey, our leading Ad Getter, both contributed valuable assistance. All eight people on this page deserve the appreciation of the entire student body for their wonderful assistance in making our yearbook a success.
